

# TRUSTED BY AGENTS TO PROTECT YOUR HOME

## **Insure Your Home in Seconds**

No lengthy questionnaires or personal intrusions. Your home's location is all your agent needs to start a quote and customize your coverage to suit you.

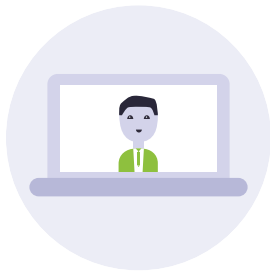

## **Highly Rated Coverage**

Every policy we offer is rated "A-" or better by A.M. Best. You can have peace of mind in knowing that when the worst happens, you'll be covered.

## **Save Money Every Year**

We've estimated that our powerful data insights could save nearly half of U.S. homeowners 10-20% per year over other insurers.

## **Easy Claims Handling**

We've processed thousands of claims and partner with industry leading claims professionals. File claims in minutes over the phone or online 24/7.

## RESPECTED IN THE INDUSTRY AND BY HOMEOWNERS

We're a team of industry veterans, engineers, and support people working side by side to make home insurance easier and better for everyone. By combining technology and big data to deliver a great user experience, we intend to make protecting your home as easy as any online shopping.

### The Proof is in Our Ratings

We cut our premium in half by switching to Swyfft. Quick and easy process.

**D. Middleton, Homeowner**

Great service, great price. very happy. My agent offered my Swyfft and saved me a lot of money.

**B. Bossaller, Homeowner**
